

## **Core Values**

In the spirit of our ethos “**Enlightening and Disseminating Knowledge for Prosperity**”, we remain committed to understanding and solving the most significant societal problems.

### **Innovation & Knowledge Management**

Strengthening the concept of learning from the Gurus and reputed Industry Experts, Suryadatta organizes weekly workshops and seminars getting experts from various walks of life to address the students and impart the knowledge that they have consolidated over long years. Personality Development Sessions, Orientation Programs, Seminars, Guest Lectures, Life Transforming and Motivational Speeches and Value based Education constitute these activities.

### **Complete Human Being**

Suryadatta regularly conducts Spiritual Camp offering an opportunity to the students to actually re-discover their inner self and unearth their latent potential. The idea is to inculcate social, spiritual and ethical values of life into the student’s daily routine. Students are also taught Yoga, Meditation to enrich them through the concept of a healthy mind in a healthy body, the source of optimal well-being. Yoga and meditation empower the students to remain focused, preparing them to face the challenges of life with courage and conviction in a de-stressed manner. They are trained on goal setting and personality development and other related activities, giving them the much-needed break from the rigor and stress of academics. Students are encouraged to work and study together, display group dynamics.

### **Global Focus**

Globalization has resulted in a demand for multilingual, cross-cultural professionals. The teaching of Foreign Languages at Suryadatta goes a long way in making the students truly confident global professionals. To enable the students to get hands - on exposure to diverse business cultures, we facilitate their Internships across various national boundaries. We believe that this is the best manner to learn about different cultures, languages and customs evolving as global citizens. International internships are organized as options to students at Suryadatta.

### **Value Based Education**

Suryadatta subscribes strongly to the belief that Spiritual instinct is the source of moral and human values. These human values form the life force of any activity, including areas of management and administration too. Suryadatta organizes a series of theology workshops for its students as well for the Corporate throughout the year like Managerial Leadership & Indian Wisdom for Management, Convention on Managing through Values, Leadership through Indian Wisdom.

### **Enabling Sustainable Development**

Suryadatta promotes sustainable development and a value based career to live happily, successfully & completely for long life.
